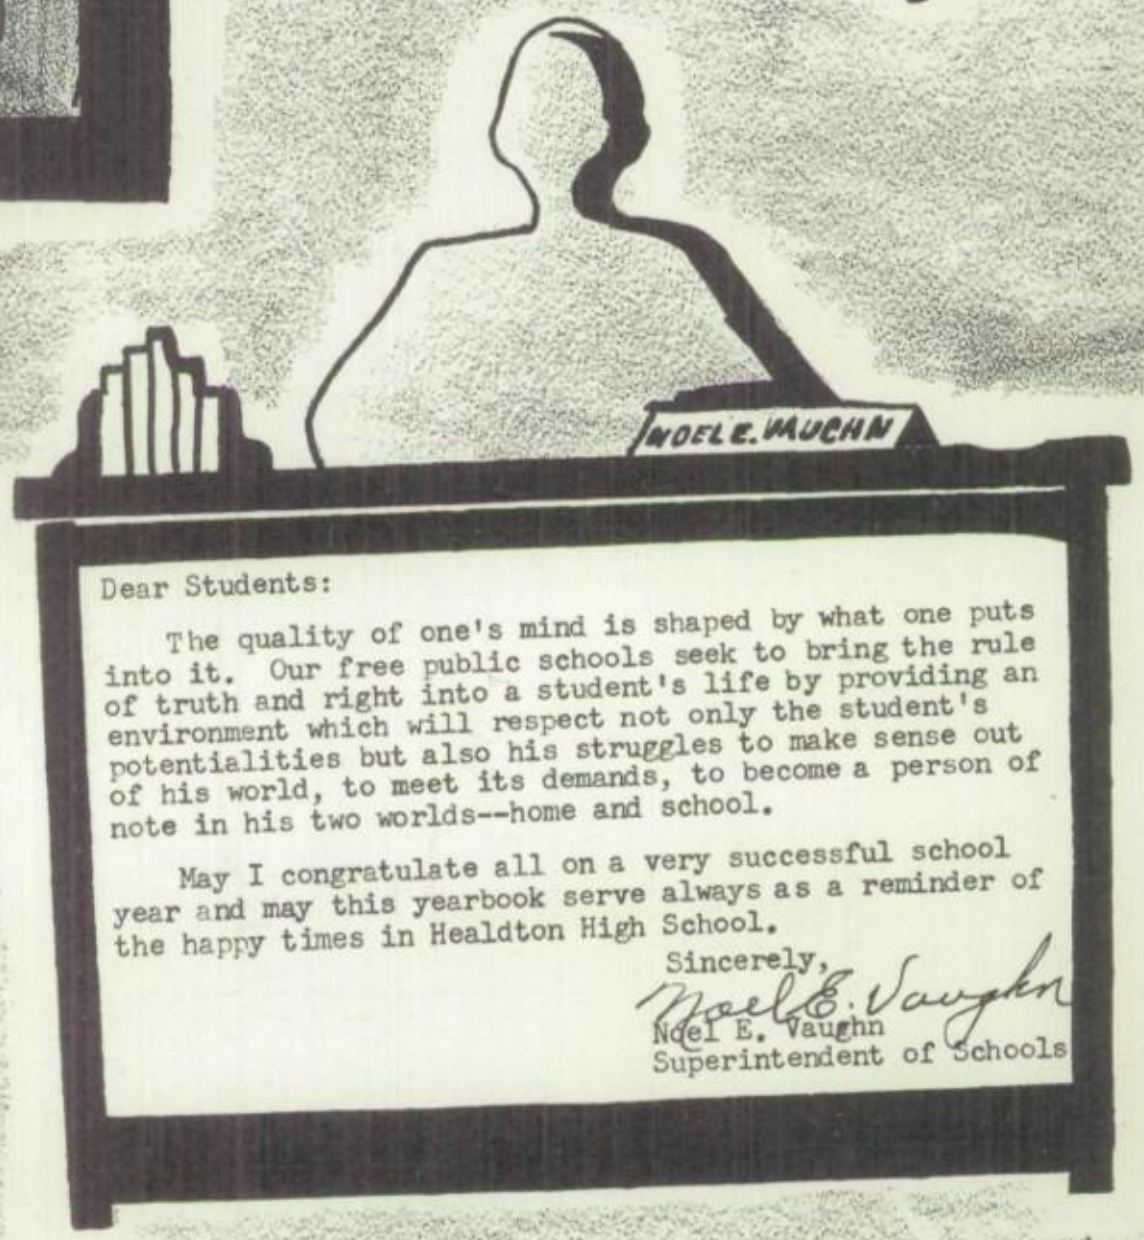
# Superintendent's Message to Staff, Students and Teachers



Dear Students:

The quality of one's mind is shaped by what one puts into it. Our free public schools seek to bring the rule of truth and right into a student's life by providing an environment which will respect not only the student's potentialities but also his struggles to make sense out of his world, to meet its demands, to become a person of note in his two worlds--home and school.

May I congratulate all on a very successful school year and may this yearbook serve always as a reminder of the happy times in Healdton High School.

Sincerely,

Noel E. Vaughn

# MOMENTS TO REMEMBER

Those sophomore days that flew so fast
The year we left assemblies last,
We will have these moments to remember.

As juniors we were glad to share
With seniors in their last affairs.
We will have these moments to remember.

Tho' summer turns to winter,
And the present disappears
The laughter we were glad to share
Will echo thru the years.
When other nights and other days
May find us gone our sep'rate ways,
We will have these moments to remember.

The games we won were lots of fun;
The ones we lost never made us glum.
We will have these moments to remember.

The rallies and the dances too
Spread happiness and spirit too.
We will have these moments to remember.

Tho' sophomores turned seniors
And the years have disappeared,
The memories we've had and shared
Will stay throughout our years.
With our Alma Mater in our heart
We'll go our ways but never part
We will have these moments to remember.

# 1956 - 57 RECORD

1956-57 has been a year of triumph for the Healdton band. Under the direction of Mr. Smith, the "Pride of Healdton" has won honors in every contest it has entered.

The State Marching Contest in Midwest City found this Bulldog band again in first place with the highest rating in the school's history, 99.2 as compared with Norman High School's 99.4. Once more nearing perfection, the band captured first place in its Field Marching at O.U. Band Day by compiling a score of 99.6, second only to class "A" Henrietta's 99.7.

Spring musical activities featured the Durant District Contest in which the band rated Superior in both Concert and Sight reading, bringing the total to four I's. Three ensembles and three soloists attended State contest.

The climax to the year's successes was the formal concert, April 23, at which Missy Heinlen was crowned queen of the Healdton High School Band.
